Re: Bolivina Perca Zone, Reservoir O
South Thornwell Field
Jefferson Davis Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DENBURY RESOURCES INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the establishment of rules and regulations and the creation of a single drilling and production unit for the Bol Perca Zone, Reservoir O, in the South Thornwell Field, Jefferson Davis Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Bol Perca Zone, Reservoir O, in the South Thornwell Field, Jefferson Davis Parish, Louisiana, said unit to be designated BOL P RO SUA.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate Denbury Resources Inc. as operator of the proposed unit.
4. To designate the Denbury Resources Inc. – Blank Living Trust No. 1 Well as unit well for the proposed unit.
5. To provide that any future wells drilled to the Bol Perca Zone, Reservoir O, in the South Thornwell Field, should be located in accordance with the spacing provisions of Statewide Order No. 29-E.

6. To provide that the Commissioner of Conservation should be authorized to reclassify the proposed zone and reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
7. To consider such other matters as may be pertinent.

The Bol Perca Zone, Reservoir O, in the South Thornwell Field, is hereby defined as being that gas and condensate bearing zone encountered between the depths of 11,748 feet and 12,070 feet (electrical log measurements) (true vertical depths of 11,663 feet and 11,986 feet) in the Denbury Resources Inc. – Blank Living Trust No. 1 Well, located in Section 36, Township 11 South, Range 5 West, Jefferson Davis Parish, Louisiana.

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from Leon Comeaux & Associates, Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number (337) 233-9839.

Pursuant to the Revised Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for Thursday, February 6, 2003, WILL NOT BE HELD.

Attached hereto and made a part hereof is a plat outlining the applicant's unit proposal and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the notice dated January 15, 2003) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
